Senator Ben Cardin's event:

Thursday, August 13th from 10:30 to 12:00 noon

There is going to be a Grey Shore Meeting on Health Care Reform to be held on Thursday August 13th from 10:30 to 12:00 noon. In the Wicomico Room in Guerrieri University Center at Salisbury University.

Oddly this is an approved reservation/invitation only event. Questions have to be pre-submitted for review and if chosen you would be allowed to stand and ask your question. How's that for transparency?

Please call 410-546-6001 to see if you "get approved" to get in to this secret event.
