Debbie Campbell Caught in a lie

Debbie Campbell claimed she had never voted to raise rental registration fees and yet the proof was found that in 2006 she was the only one on Council to do so. Ms Campbell has a long history of being against renters in this town, and thinks that everyone should own a home. Well Ms Campbell we aren't all as privileged as you are with owning 4 homes, 1 in Salisbury and 3 Water Front in Silver Beach Virginia. In her quest to keep the renters out of Salisbury she even spoke out against a Church wanting to hold Alcoholics Anonymous meetings at their Parsonage, because she thought that meant Camden was losing another single family home. The 70% renters in this town need to get to the polls next week and send a clear message to Ms Campbell that we have a voice in this town whether she likes it or not.
