It's true, we believe these candidates for Mayor and City Council, who are led by DEBBIE CAMPBELL and accompanied by JIM IRETON and CYNTHIA POLK:

- Support increasing fees on rental homes and apartments in Salisbury and which lead to **Increases to Your Rent.**
- Why? Because, no matter what a tax or fee is called, the **ONLY** revenue to pay them is **YOUR RENT.**

Ms. Campbell and her associates have also proposed/supported:

- ✓ A per bedroom fee **(tax) on all City rental homes.**
- ✓ All or most of the City's Building Inspector's budget (between ½ and 1 million dollars per year) be funded by rental homes and apartments.
- ✓ Reducing the number of renters who can live together to a maximum of two unrelated persons, thereby **Increasing housing costs for renters.**
- ✓ **Removing existing apartments** from city neighborhoods.

If you believe your rental home will be made better by more regulations, taxes, costs, fees, and higher rents that go with them, then you might want to vote for CAMPBELL, IRETON AND POLK.

But, if not then **Your Best Choice** is to:

Vote for GARY COMEGYS for Mayor, MUIR BODA and SHANIE SHIELDS for Council

Tuesday, April 7th, District one votes at St. James Church, Mack St., District two votes at Wicomico Presbyterian Church on Broad St. and Harvest Baptist Church on South Blvd.
