Salvation Army Plans

I am working on quite a few ways to get the attention of the Salvation Army and keep Smurfy from parading around as the red kettle boy. You want to help you do it quietly, you don't thump your fist and brag about yourself and then receive a jacket for it. Just like the Dover Downs incident this is what we must work on. First up is the local contact for the Salvation Army.

407 Oak Street
410-749-7771

Then this is the link to send a complaint to the Salvation Army Southern Territory.

If this doesn't work we will then be distributing materials to put in the kettles telling the Salvation Army we would have donated but because of the association with Joe Alberio we will not. Lets get to work people. I know some people may say "but it's helping people" and your right, but if you know anything about what this man does including the statements I put up today, The Salvation Army is committing suicide having anything to do with him. I myself will donate more if they drop him or make him promise to be quiet about it, and I am sure my readers feel the same.
